

VWPOP Portrait Series - Quick Release Pop-Out Universal Video Wall Mount

VWPOP65-P

The VWPOP is purpose designed for easy and fast servicing of recessed video wall installations. The simple one touch „pop out” mechanism allows full extension of the display out of the videowall so access and servicing can be performed quickly and safely. Tool-less micro-adjustment is included for seamless alignment of the displays and precision dedicated spacers eliminate requirement for on-site calculations and measurements.

FEATURES

- Fast Release Pop-Out mechanism can be adjusted for varying display weights, ensuring safe and controlled extension.
- Fast Release Pop-out mechanism provides convenient display access designed for used in enclosed or recessed installations.
- Pop-out mechanism can be temporarily removed with security locking screw to prevent unintentional pop-outs.
- Open Frame design allows full electrical wiring access and Integrated cable management strips make display-to-display cabling simple.
- Sequentially drilled wall plate and precision dedicated display spacers eliminate requirement for on-site calculations.
- Tool-less independent 8-point micro-adjustment provides seamless alignment of the displays.
