

OVO8-BL

8" powerful two-way loudspeaker,
black

OVO8 is an 8" powerful low impedance two-way cabinet loudspeaker. This high quality cabinet loudspeaker gives you a deep bass for a groovy sound. This powerful but compact speaker is easy to integrate in any large room, whatever the interior style may be.

The included bracket allows flexible positioning, while the sturdy ABS plastic housing guarantees years of trouble free musical enjoyment.

Quick-Fit cable clamps ensure quick and easy mounting, but the speaker can also be placed freestanding on a shelf.

The housing of OVO8 is made of ABS plastic. The loudspeaker has an 8" paper cone woofer, a 1" silk dome tweeter and a double painted steel grille. Affordable, but by no means a compromise on sound quality – typically Apart!
