

VINCI7

7" two-way high-end hi-fi
loudspeaker, black

VINCI7 is a fabulous prestige loudspeaker offering outstanding performance and value for money. With its unique design and breathtaking sound purity, the VINCI7 loudspeakers are the right choice to create the perfect ambience.

Each component was carefully ear-chosen and tested, which resulted in an ultra linear performance that guarantees a pure sound experience. Apart VINCI7 sets a new standard in affordable reference speakers and is made of high class components that look great with or even without the removable (magnetic) grille.

The VINCI 7 bass reflex cabinet speaker produces a pure and detailed bass sound and has also superb control of midrange and high frequencies.

Wouldn't it be nice to put this two-way system on a goodlooking speakerstand for the ideal listening height? Off course.

Therefore Apart created the VINCI7ST speakerstand which gives that little extra classy look in your interior. VINCI7ST is available in black and will be sold in pairs. VINCI7 is available in glossy black.

The Apart VINCI7 has been designed for a wide range of installation applications; from home theater living rooms to class rooms or boardrooms, from fancy lounge restaurants to high level prestige residential projects.

To make our VINCI series complete, Apart also developed the VINCI4 & VINCI5 bookshelf loudspeakers and a high class integrated amplifier VINCI2125.
