

# Holo Screen

Designed for digital signage, the Holo Screen is a rear projection holographic screen that you can see through. The advanced holographic technology results in a remarkably clear image even in brightly lit environments. The Holo Screen is a great option for retail stores, window displays, airports, banks and other high-traffic areas. The Holo Screen has a modern, minimalist aesthetic.

## Features

- Rigid, transparent display
- Custom sizing
- Adjustable fasteners and stainless steel cable installation
