

SpeakerCraft®

## CSS6 Series

Aesthetics have become a major consideration when installing a music or home theater system. Typically ceiling speakers are round and in-wall speakers are rectangular. However, there are certain architectural applications where a square speaker would be more appropriate for the ceiling.

To accommodate these occasions, we have taken our award winning Custom Round Series speakers and modified them with a square baffle and grille design. This means you still benefit from all of the technology in the CRS series including the pivoting tweeter to direct critical high frequencies and our patented WavePlane® to increase dispersion and overall sound quality. The footprint is simply square instead of round. Now mounting the speaker in soffits, in bathrooms near exhaust fans or in drop ceiling tiles, will be even more attractive.

## CSS6 Three

- 6½" Aluminum Cone Woofer with Dual Voice Coil and Butyl Rubber Surround
- Pivoting 1" Liquid Cooled Aluminum Dome Tweeter with Neodymium Magnet
- Front Mounted Switches Allow for Up to ±3dB of Bass and Treble Adjustment
- Timbre-Matched to All Three Series
- Efficiency: 90dB 1W/1m
- Frequency Response: 40Hz - 20kHz ±2dB

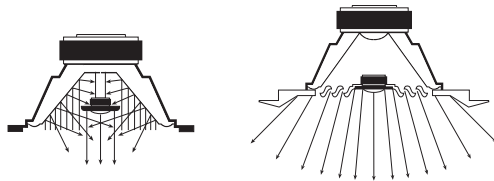

## CSS6 One

- 6½" Polypropylene Cone Woofer with Butyl Rubber Surround
- Pivoting 1" Liquid Cooled Silk Dome Tweeter with Neodymium Magnet
- Timbre-Matched to All One Series
- Efficiency: 92dB 1W/1m
- Frequency Response: 50Hz - 20kHz ±2dB

Our speakers sound much better off-axis!

Only SpeakerCraft offers the exclusive WavePlane™ tweeter baffle which is located just behind the tweeter of all AIM in-ceiling speakers. The WavePlane™ creates better high frequency dispersion. This is accomplished by allowing the tweeter to reflect off a solid surface instead of the vibrating woofer. Ordinary speakers only sound their best when you are directly underneath them. This is because high frequencies are directional. The WavePlane™ assures optimal high frequency dispersion throughout the listening area.

\* All CSS6 Speakers come with Limited LIFETIME Warranty

\* As we incorporate design improvements, specifications may change without notice.
